

MOUNTAIN GORILLA

I SCARE
EVERYONE

I AM REALLY
VERY GENTLE

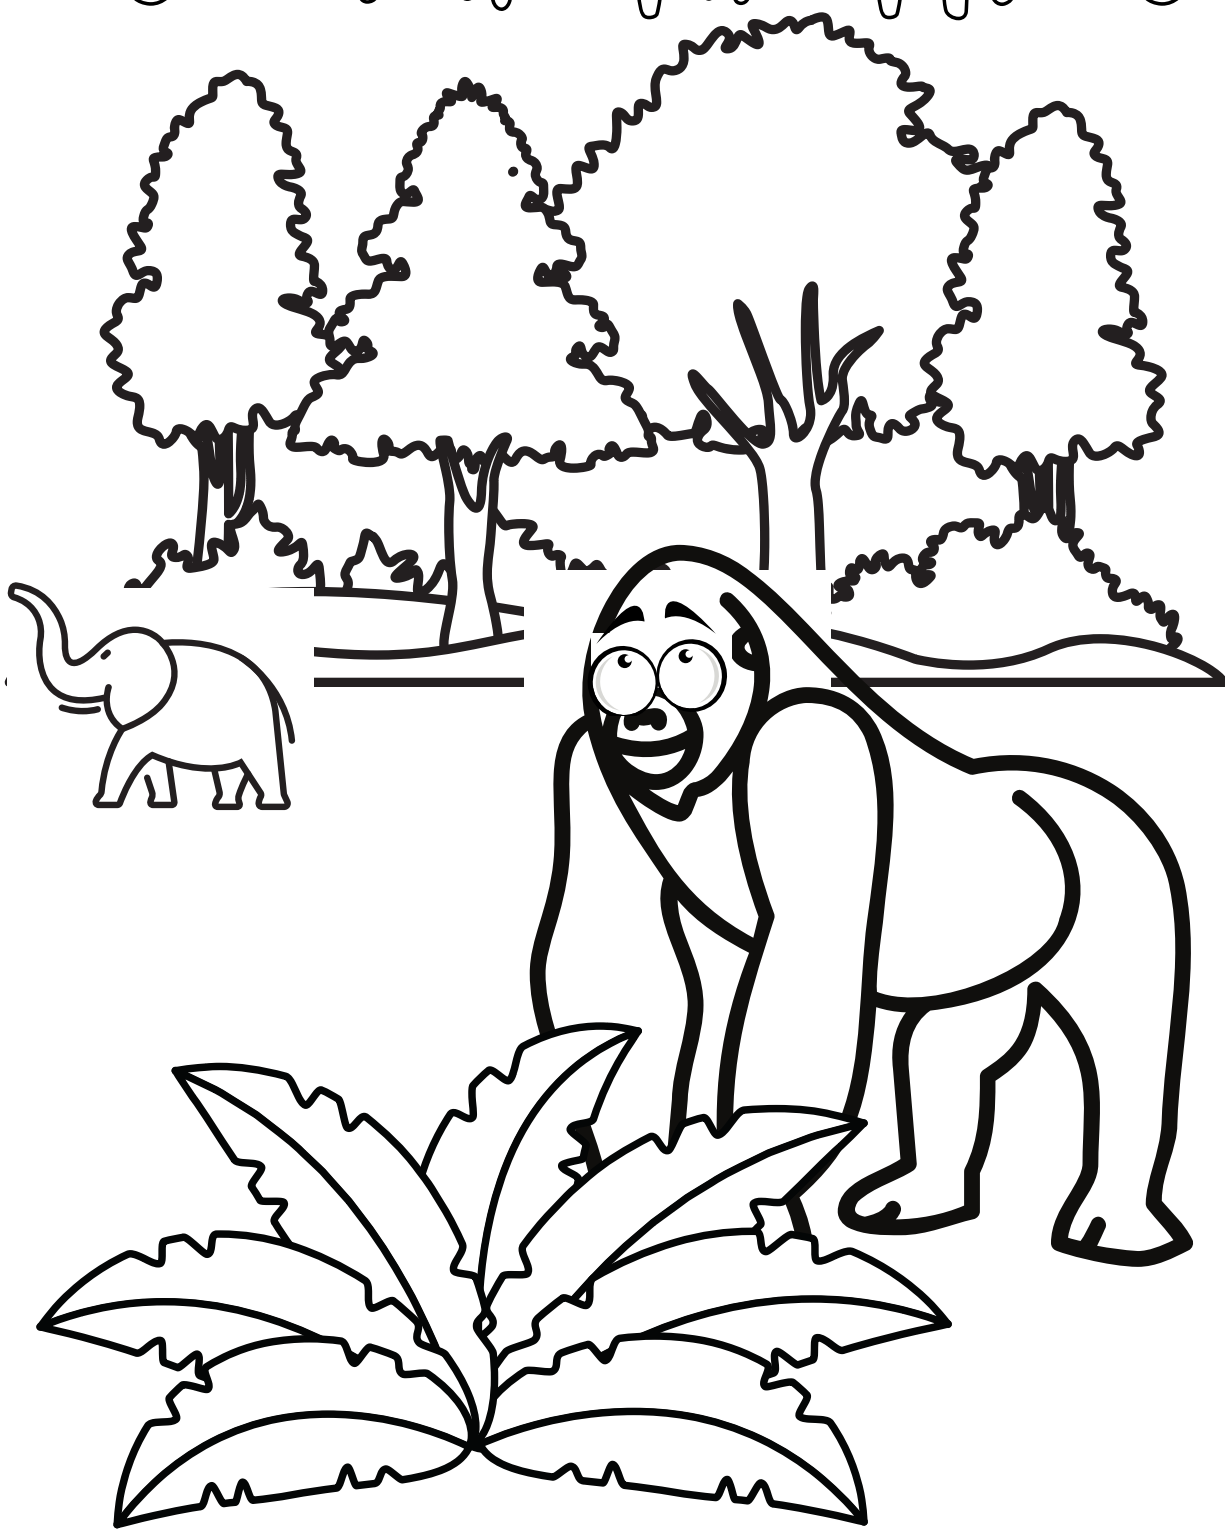

I EAT LEAVES,
FRUIT AND ROOTS

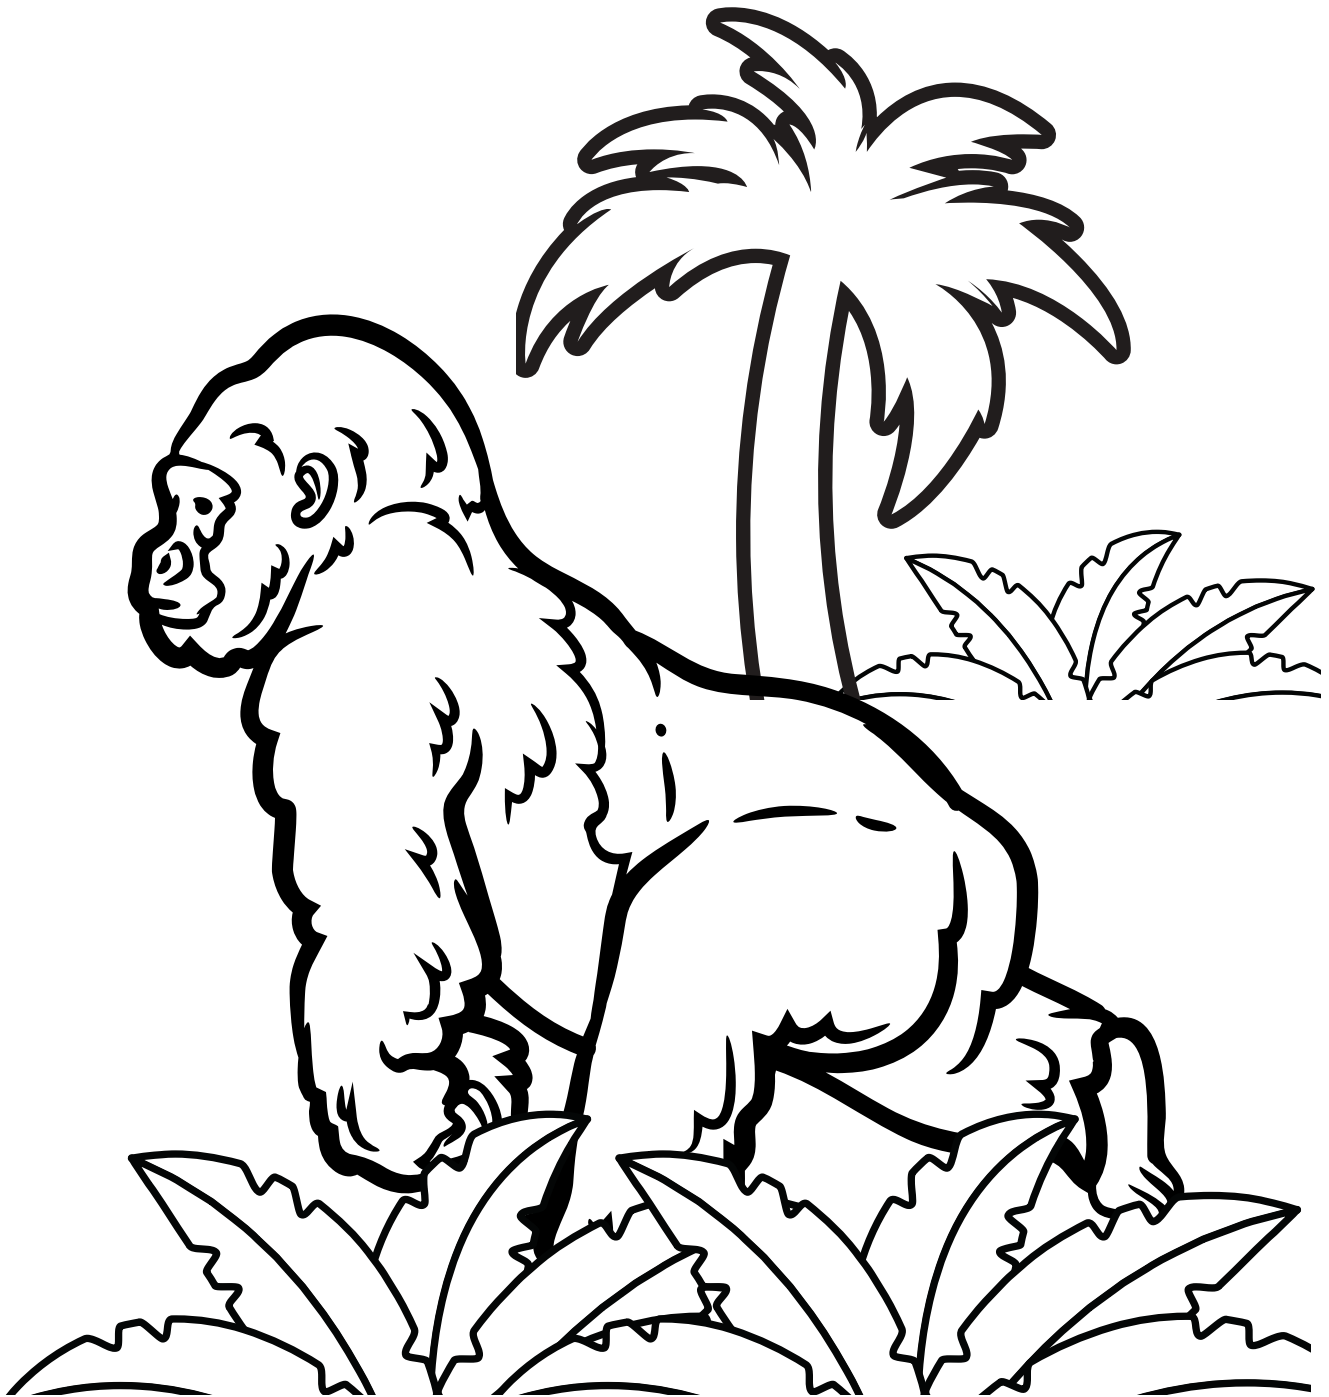

and caterpillars

I SOMETIMES
SLEEP IN THE TREES

THERE ARE NOT MANY
OF US LEFT

We are losing our habitat, the forest

IT'S CALLED DEFORESTATION

**People use the trees for lumber, charcoal,
and the space for planting crops**

LEARN MORE ABOUT

Reforestation
and planting
trees

Gorillas, trees
and nature

what you can
do in your
community

YOU CAN HELP
