**RECEIVE A SNARE
BRACELET**

**RECEIVE A HAND SEWN
BAG FROM UGANDA**

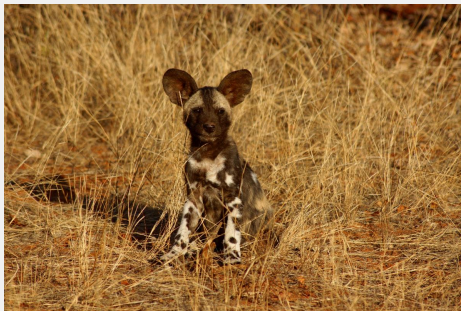

Quilted Bags From Our Ugandan Sewing Center

Hand sewn at our Ugandan Sewing Center with our partner MUSAA, these bags provide girls and women with the opportunity to receive career training and certifications that provide them with health care and continued education for their children. Community projects such as these provide stability to local people and prevent poaching of critically endangered animals like the mountain gorilla.

Each donation of \$50 or more will receive a unique bag, perfect for gift-giving this holiday season!

WHERE WILL YOUR DONATION GO?

As always, 100% of your donations go to endangered animals and local communities! Donations go to our anti-poaching initiative, community programs, and various other partnerships. We couldn't do this without your support...
